Dear Chair DeFazio and Ranking Member Graves:

I am requesting funding for State Route 254 & State Route 83 Intersection Improvement in surface transportation reauthorization legislation.

The project sponsor for this project is City of Avon and the project is located at State Route 254 & State Route 83, Avon, Ohio 44011.

The funding is designated for addition of turn lanes and signal improvements.

The project is an appropriate use of taxpayer dollars and is anticipated to have the following benefits: The project will reduce driver confusion and conflict points via a combination of additional through, drop and turn lanes, emergency vehicle pre-emption, updated pavement markings/signage, and enhanced interconnected traffic signal systems.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely

Bob Gibbs  
Member of Congress
